ABOUT US

MEDICAL-X is a Dutch company based in Arnhem, the Netherlands, specialized in the design, development, manufacturing, marketing, and distribution of simulation products for medical teaching and training. Our mission is to provide healthcare professionals with simulation-based training solutions and cutting-edge technological simulators that are cost-effective and time-efficient to teach and train clinical skills without risk to actual human patients. By integrating advanced technology with hands-on learning, MEDICAL-X empowers doctors, nurses, and paramedics to refine their abilities and enhance patient care.

**EMPOWERING
HEALTHCARE THROUGH
INNOVATION AND
SIMULATION.**

MANAGER-X

The Ultimate Solution for Simulation Centers

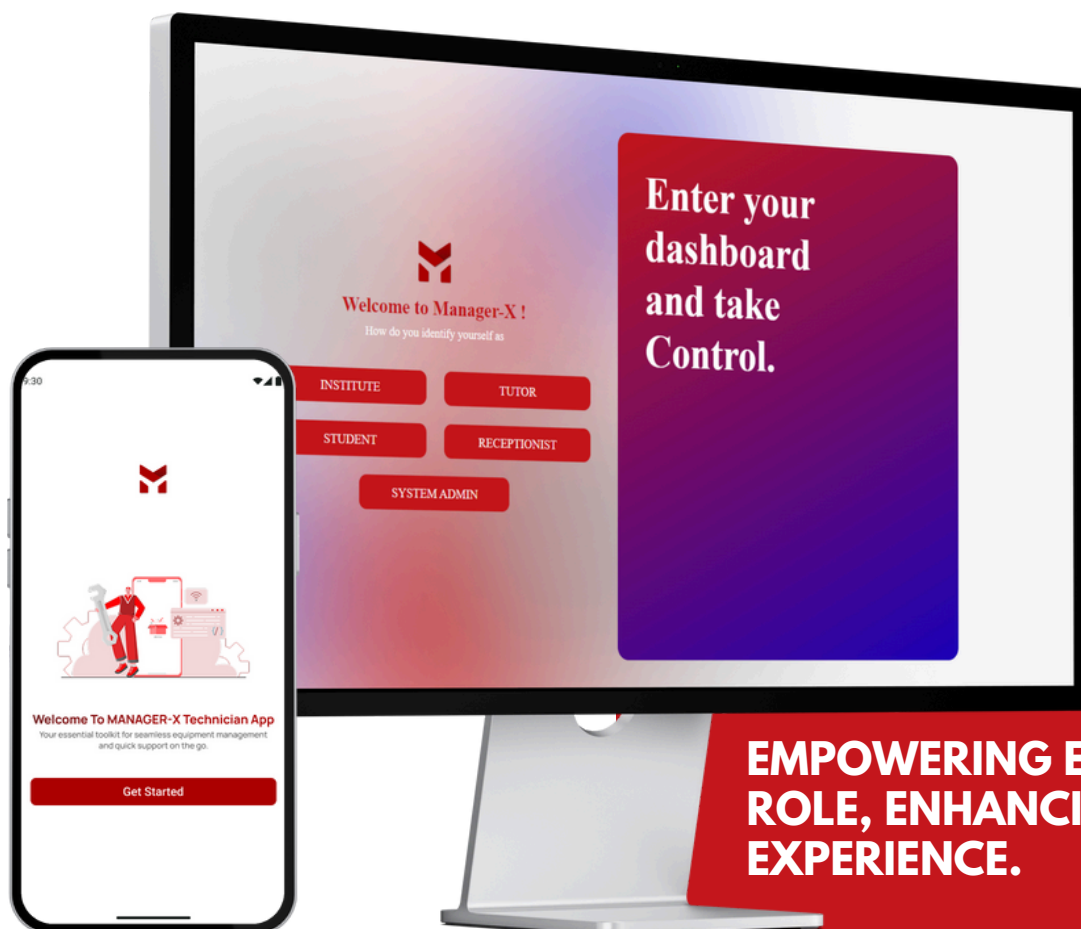

MANAGER-X is our new all-in-one online management platform, designed to simplify and optimize the operations of training and simulation centers. Built to enhance workflows and maximize efficiency, MANAGER-X handles everything—from scheduling and booking sessions to inventory and room management. With MANAGER-X, your center runs smoother, freeing up time to focus on delivering exceptional training experiences.

EMPOWERING EVERY ROLE IN YOUR SIMULATION CENTER

MANAGER-X is tailored to meet the needs of every role in your organization:

- **Institute Administrators:** Gain full access to schedules, bookings, inventory, and room assignments—all in one place.
- **Tutors:** Adjust availability, prepare for sessions, and manage schedules with ease.
- **Students:** Book sessions, check schedules, and access certificates online—making training simple and accessible.
- **Receptionists:** Display customized welcome screens with training instructions and room assignments, ensuring a seamless experience for attendees.
- **Technicians:** Track equipment status, location, and maintenance with a dedicated app, ensuring every session runs without a hitch.

**EMPOWERING EVERY
ROLE, ENHANCING EVERY
EXPERIENCE.**

ONE PLATFORM FOR COMPLETE EFFICIENCY

Say goodbye to juggling multiple systems.

MANAGER-X integrates all essential functions into a single, user-friendly platform, enhancing efficiency and organization in your simulation center.

Take the NEXT STEP—Discover how MANAGER-X can transform your work and training today.

KEY FEATURES

Schedule and book training sessions

Manage inventory and rooms

Support for multiple user profiles

Technician app for tracking equipment

Manage student certificates

Receive real-time updates and notifications

BENEFITS OF USING MANAGER-X

EFFICIENCY

Reduce administrative workload and enhance productivity.

ACCESSIBILITY

Multiple login options ensure every user gets exactly what they need.

COORDINATION

Prevent scheduling conflicts and optimize resource utilization.

SCALABILITY

Adaptable for simulation centers of all sizes, from small facilities to large institutions.

USER-FRIENDLY INTERFACE

Designed for smooth navigation, ensuring an effortless experience for all users.

RELIABILITY

Real-time data tracking keeps your center operating smoothly.

HOW DOES IT WORK?

- 01** **Administrators** create schedules, assign rooms, and manage inventory.
 - 02** **Tutors** adjust availability and prepare for the training sessions.
 - 03** **Students** browse, book, and oversee their training sessions.
 - 04** **Receptionists** organize the day's activities and assist attendees.
 - 05** **Technicians** track and maintain equipments.
-

TECHNICAL SPECIFICATIONS

MANAGER-X is a versatile, user-friendly platform that works seamlessly across devices and systems. Here's what you need to know:

**SMART.
SIMPLE.
SEAMLESS.**

- **Institute Administrators:** MANAGER-X operates entirely online—no specialized hardware or on-site installations required. Just log in from any internet-connected device.
- **Technician App:** Available on Google Play (iOS version coming soon), providing real-time equipment tracking and maintenance updates.
- **Internet Requirement:** A stable connection ensures real-time updates and smooth functionality.
- **Mobile Compatibility:** Fully responsive for seamless access to schedules, tasks, and inventory on the go.

MANAGER-X delivers a seamless experience with minimal technical requirements, allowing effortless integration into any simulation center's operations.

ENHANCE YOUR TRAINING EFFICIENCY

Take your simulation center to the next level with MEDICAL-X simulators and the seamless management of MANAGER-X.

-  Optimize workflow with cutting-edge technology.
-  Streamline operations for better efficiency.
-  Elevate training with high-fidelity simulation.
